From: Amity Barnard, General Counsel  
Re: Petros Notice of Termination of Commercial PACE Program Administration Services  
Agreement and Proposal for Revised Engagement Terms

The following describes the above-referenced agenda item:

On October 10, 2025, the Authority received via certified mail the attached Notice of Termination of Commercial PACE Program Administration Services Agreement and Proposal for Revised Engagement Terms from Petros PACE Administrator (Petros), the Authority's C-PACE Third-party Administrator. Note that the termination letter indicates that Petros intends to keep payment of the latest invoice (#25-26-0001R) sent by the Authority (received by Petros on October 1, 2025) in the amount of \$13,450.00 "on hold pending discussions between the Administrator and the Authority regarding the proposed alternative fee structure."

Petros entered into an Administration Services Agreement (Agreement) with the Authority on August 1, 2019, as amended by the First Amendment in March 2023, Second Amendment in September 2024 and Third Amendment in March 2025.

Article 11 of the Agreement provides that:

This Agreement may be terminated, without Cause, by the Administrator upon the Administrator giving written notice to the Authority of its intent to terminate this Agreement. Upon receipt of such notice, the Authority shall have one hundred twenty (120) days to designate a person or entity to whom all information related to the Administrative Services performed by the Administrator should be given. This Agreement will terminate on the earlier of (1) the delivery of all such information to the Authority's designee; or (2) one hundred eighty (180) days after the Authority receives the Administrator's notice of intent to terminate this Agreement.

*January 29, 2026*

*Petros Notice of Termination*

Pursuant to this Article, the Authority is required to designate the appropriate person for information/documentation transfer on or before February 7, 2026. The 180-day effective date of termination, if documents are not delivered earlier, is April 8, 2026.

This is a budgetary item and there is a fiscal impact associated with the item.

**Re: Notice of Termination of Commercial PACE Program Administration Services  
Agreement and Proposal for Revised Engagement Terms**

Dear Mr. Wodraska:

Pursuant to Article 11 of the Commercial PACE Program Administration Services Agreement between the Florida Green Finance Authority, a public body corporate and politic under the laws of the state of Florida (the “*Authority*”) and Petros PACE Administrator, LLC, a Texas limited liability company (the “*Administrator*”), effective as of August 1, 2019, as amended by that certain First Amendment dated March 2, 2023, that certain Second Amendment dated September 12, 2024,

and that certain Third Amendment dated March 13, 2025 (as amended or restated from time to time, together with all amendments thereto, collectively, the “*Agreement*”), the Administrator hereby provides this written notice of its intent to terminate the Agreement without cause.

In accordance with Article 11 of the Agreement, upon receipt of this notice, the Authority shall have one hundred twenty (120) days to designate a person or entity to whom all information related to the Administrative Services performed by the Administrator should be provided. The Agreement shall terminate on the earlier of (i) the delivery of all such information to the Authority’s designee, or (ii) one hundred eighty (180) days after the Authority’s receipt of this notice.

Notwithstanding this termination notice, the Administrator values its relationship with the Authority and is open to potentially pursuing an engagement with the Authority under a revised arrangement. Specifically, Petros would be willing to continue to serve as a program administrator under an alternative fee structure that:

1. Ties payment of fees directly to CPACE deal closings and project activity, rather than fixed quarterly budget obligations; and
2. Eliminates any requirement for Petros to make out-of-pocket payments toward the Authority’s quarterly or annual budget.

We believe such a structure would more appropriately align incentives between the parties and promote continued collaboration and growth of C-PACE financing in Florida. To facilitate this discussion, please note that payment on the latest invoice that was received on October 1, 2025, in the amount of \$13,450 (Invoice #25-26-001R) will remain on hold pending discussions between the Administrator and the Authority regarding the proposed alternative fee structure.

If the Authority is able to call a board meeting prior to the next scheduled board meeting in December 2025 to consider a potential revised engagement with Petros, we would greatly appreciate it. During the transition period, and pending any discussions on a revised arrangement, the Administrator will continue to cooperate in good faith with the Authority and its designee to ensure the orderly transfer of all relevant program materials, documentation, and data related to the Administrative Services provided under the Agreement.

Please acknowledge receipt of this termination notice and indicate whether the Authority would like to discuss a continuation of an engagement under a revised fee structure proposed by the Authority.

Sincerely,

**PETROS PACE ADMINISTRATOR, LLC,**

## AGENDA ITEM SUMMARY

To: Chair Dritz, Vice Chair Metcalf and Supervisors Robau, Wisner and McMahon  
From: Todd Wodraska, Secretary  
Re: CONFERENCE ATTENDANCE POLICY

The following describes the above-referenced agenda item:

Staff is requesting the Board of Directors consider establishing a policy to allow Florida Green Finance Authority ("Authority") Board members, and their designated alternates, to attend professional conferences directly related to Property Assessed Clean Energy ("PACE") programs, sustainability, resiliency, and governmental finance.

The proposed Conference Attendance Policy establishes equitable and fiscally responsible guidelines for attendance at such conferences. Key provisions of the draft policy include:

- Eligibility: Each Board seat is designated as either odd-numbered or even-numbered, with annual rotation determining which seats are eligible for conference attendance during each fiscal year. Only one (1) representative per seat (either Director or Alternate) may attend in a given year.
- Selection of Attendee: Directors have the right of first refusal, with Designated Alternates eligible if the Director declines. Attendees must be confirmed in writing to the District Manager no later than 45 days before the conference.
- Eligible Conferences and Expenses: Conferences must relate to PACE, sustainability, resiliency, or governmental finance. Reimbursable expenses include registration fees, lodging, transportation, and meals/per diem in accordance with Section 112.061, Florida Statutes.
- Budgetary Limitation: Funding is subject to annual appropriation. A maximum of \$3,000 per eligible seat per year is allocated, with reimbursement capped accordingly.
- Reimbursement Process: Requests must be submitted within 14 business days of return, supported by original receipts. No reimbursement is permitted for entertainment or alcoholic beverages.
- Transportation: Travel must be via direct and economical routes; mileage reimbursement follows statutory rates.

This would, upon formal adoption, be a budgetary item subject to annual appropriations by the Authority Board.

This policy was provided to the Board for discussion purposes only at the September 11, 2025 Board meeting. Based on direction provided by the Board at that meeting, this item is now on the agenda for formal action and approval by the Board.

**RESOLUTION NO. 2026-01**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE FLORIDA GREEN FINANCE AUTHORITY, SETTING FORTH AND ADOPTING A BOARD OF DIRECTORS CONFERENCE ATTENDANCE POLICY; PROVIDING AN EFFECTIVE DATE AND FOR OTHER PURPOSES.**

**WHEREAS**, Second 9 of the Second Amended and Restated Interlocal Agreement provides the Board of Supervisors (“Board”) of the Florida Green Finance Authority (“Authority”) with the power to adopt resolutions and policies prescribing the powers, duties, and functions of the officers of the Authority, the conduct of the business of the Authority, and the maintenance of records and documents of the Authority; and

**WHEREAS**, the Board wishes to formalize a policy with regard to attendance by Board members (including Alternates) at professional conferences directly related to Property Assessed Clean Energy (“PACE”) programs, sustainability, resiliency, and governmental finance.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE FLORIDA GREEN FINANCE AUTHORITY AS FOLLOWS:**

## Board of Directors Conference Attendance Policy

### I. Purpose

The purpose of this policy is to establish clear, equitable, and fiscally responsible guidelines for the attendance of Florida Green Finance Authority (“Authority”) Directors at professional conferences with a direct Property Assessed Clean Energy (“PACE”) or sustainability and resiliency focus (“PACE-related Conferences”). The Authority’s Board of Directors (“Board”) recognizes that attendance at such conferences serves a public purpose and provides valuable opportunities for professional development, program education, networking, and the enhancement of service on the Authority’s Board.

### II. Authority and Applicability

This policy is adopted pursuant to the Authority’s enabling provisions under Chapter 163, Florida Statutes, and Section 10 of the Second Amended and Restated Interlocal Agreement and applies to all currently seated Directors and Designated Alternates appointed to the Authority Board by participating jurisdictions. Directors and Designated Alternates serve without compensation, and their participation in PACE-related Conferences shall be funded solely from the Authority’s annual operating budget line item designated specifically for the purpose outlined in this policy.

### III. Eligibility

1. For purposes of this policy, each Authority Board seat shall be designated as either “odd-numbered” or “even-numbered” based on its assigned seat number.
2. Attendance at Authority-funded PACE-related Conferences shall rotate annually between odd-numbered and even-numbered seats based on the Authority’s **fiscal year** (October 1 – September 30) as follows:
  - a. **Odd-numbered seats** (Seats 1, 3, 5 & 7): shall each be eligible to send **one (1) representative**, either the currently seated Director or the Designated Alternate, to attend one (1) Authority-funded PACE-related Conference during **odd-numbered fiscal years**.
  - b. **Even-numbered seats** (Seats 2, 4 & 6) shall each be eligible to send **one (1) representative**, either the currently seated Director or the Designated Alternate, to attend one (1) Authority-funded PACE-related Conference during **even-numbered fiscal years**.

3. In no case shall both a Director and Designated Alternate from the same seat attend an Authority-funded PACE-related Conference in the same fiscal year.

#### **IV. Selection of Attendee**

1. The Director for each eligible seat shall have the right of first refusal to attend a PACE-related Conference during their eligible fiscal year.
2. If the Director declines or is unavailable, the Designated Alternate for that seat may attend a PACE-related Conference.
3. The identity of the attendee shall be confirmed in writing to the District Manager at least forty-five (45) days prior to the first day of the conference, or as soon as practicable if the conference notice period is shorter.

#### **V. Eligible Conferences and Expenses**

1. Conferences must be directly related to PACE programs, governmental finance, sustainability or resiliency, or other subject matter reasonably connected to Authority's statutory mission.
2. For expenses to be reimbursable, the attendee shall attend and participate in all conference events open to all attendees as reflected on the event agenda.
3. Eligible reimbursable expenses shall include:
  - a. Conference registration fees;
  - b. Lodging at the conference host facility or comparable accommodations;
  - c. Transportation costs; and
  - d. Per diem or meal reimbursements in accordance with Section 112.061, Florida Statutes.

#### **VI. Transportation**

1. All travel must be by a reasonably direct or usually traveled route. In the event a person travels by an indirect route for his/her own convenience, any additional cost shall be borne by the traveler and reimbursement for expenses shall be based on the usually traveled route.
2. Commercial travel shall be by the most economical method, tourist or coach class.
3. Whenever travel is by a privately-owned vehicle, the traveler shall be entitled to a mileage allowance at the fixed rate per mile as established by the legislature in Section 112.061, Florida Statutes. Should the legislature increase the mileage allowance specified in Section 112.061, Florida Statutes, the Authority shall, without further action, be permitted to reimburse travelers at the increased rate.

## **VII. Budgetary Limitation**

1. Conference attendance outlined in this policy is not guaranteed and is subject to the annual appropriation of funds by the Authority Board each fiscal year.
2. If appropriated, funding provided for conference attendance shall not exceed the total annual budget allocation approved by the Authority Board for that fiscal year.
3. In the event of budget constraints, priority shall be given to conferences that offer the highest direct relevance to PACE and the Authority's operations, as determined by the Authority's Manager in consultation with the Board Chair.
4. Each annual appropriation by the Authority Board shall be divided such that a maximum amount of Three Thousand Dollars (\$3,000.00) shall be allocated to each seat eligible to attend a conference that year to ensure that all Board members desiring to attend a conference have equal access to the appropriated funds. Reimbursement of expenses to any one Board member shall be limited to that maximum dollar amount per eligible year of attendance.

## **VII. Requests for Reimbursement**

1. Requests for reimbursement shall be made to the Authority Manager, Special District Services, Inc.
2. Reimbursement requests shall be submitted within fourteen (14) business days of return.
3. Travel, registration and conference attendance expenses shall reflect correct and complete expenditures (registration fees, lodging, transportation, etc.) that were incurred by the requesting party and shall be accompanied by original receipts.
4. No reimbursement shall be allowed for costs not actually incurred or costs not documented by original receipt, except for per diem reimbursement requests.
5. No entertainment or alcoholic beverage expenses shall be reimbursed.

## **VIII. Effective Date**

This policy shall take effect upon adoption by the Authority Board and shall remain in effect unless amended or repealed by the Board.
